

Warranty Clause Information

Green Belting/Greenbelt does not warrant product failure resulting from misapplication (product application specifications are found in the Green Belting/Greenbelt catalogue).

Green Belting/Greenbelt will replace all product/service found defective as a result of non-conforming workmanship. Upon receipt and verification of defective product, replacement parts/credit will be issued.

In cases where product/service failures occur which are not deemed to be Green Belting/Greenbelt responsibility, the cost of the repair and repeat service including any shipping expenses will be the responsibility of the customer.

Pressure Sensitive Adhesive tapes are subject to limited warranty as shelf life is dependent on storage conditions. Green Belting/Greenbelt will not accept return of PSA Tapes after three months from Green Belting/Greenbelt ship date.

Green Belting/Greenbelt is proud to supply customers with customized products, therefore, restocking is not a normal practice. Any exceptions to this must be authorized by the President or Delegee prior to shipment and are subject to restocking charge of 25% of invoice price and shipping and handling.

Note: RGA#'s must be issued prior to return shipment of product and packaging clearly marked, otherwise shipment will be refused. Material must be returned within 30 days of issuing RGA# to customer.
